February 2019

## Exciting Things Happening at Cathedral of the Pines

We are delighted to share with you that 2019 is bringing new programs to the community.

- A new Children's Garden Program kindly funded by the National Society Women Descendants of the Ancient and Honorable Artillery Company. Children will learn about the basics of gardening from growing seeds indoors to planting the seedlings in our new Children's Garden. The Rindge Public Library afterschool group will pilot this new program.
- A "Little Free Library" on our grounds! This project is generously sponsored by Dorrie Upton, longtime supporter of the Cathedral and our Gardens, and will be a great feature for book lovers.
- We would love to support non-profit organizations by providing our beautiful venue. Please contact us for information and special pricing.
- On February 22, we will be commemorating the 75<sup>th</sup> Anniversary of the shooting down of "Peg-O-My-Heart" B17 Bomber and First Lieutenant Sanderson Sloane in whose honor Cathedral of the Pines has been established.

## ***Projects***

- Women’s Memorial Bell Tower restoration. Thanks to LCHIP and the Roy A. Hunt Foundation, we were able to replace the roof and prevent further damage to the monument. This year’s goal is to replace our Carillon Bell System and clean the beautiful bronze plaques designed by Norman Rockwell.

*Thank you for being part of Cathedral of the Pines family! You are reading this newsletter because in some way you are involved with this great organization.*
